

2017 SPONSORSHIP

URUNGA (RAIDERS) FOOTBALL CLUB INC

Urunga FC is a longstanding and successful football (soccer) club and has been providing opportunity to learn and play soccer to boys and girls, men and women, since about 1971.

Our mission is to promote football (soccer) in the Urunga District and support the health and wellbeing of our youth.

We are one of the best performing clubs on the North Coast and have been attracting large crowds to our home field in Urunga, the 'cabbage patch'.

Sponsorship allows us to improve our club facilities and ensure registration fees remain affordable for our players.
