Welcome to the March edition of North Coast Football's monthly e-newsletter. Well, we've finally made it to kick off. This week, all the talk & training turns into action. It is certainly pleasing to see the season get underway. As usual, we look to the skies for fine weather on the first weekend of competition.

Here's what making news around North Coast Football Zone.

This week, North Coast Football signed a new sponsorship agreement with [Club Coffs on West High](#). Details [here](#).

After a long off season, kick off is finally here for the 2014 competition. A couple of things you should keep handy:

- [Wet Weather page](#) – If it's raining on match day, this will keep you up to date with ground closures.
- [Draw/Results page](#). Follow the prompts to find your team.

Some results are yet to go on to the web due to the large number of washed out matches (ie some rounds won't have points recorded)

Congratulations NCF teams!

It was wonderful to see our newest crop of representative players get going for the year at the recent *Skills Acquisition Program & Game Training Country Gala Day* in Coffs Harbour.

There were around 450 players in Coffs Harbour for the weekend and North Coast Football was proudly represented by no less than eleven teams from age 10 to 14's.

We produced our biggest ever photo slideshow of this event & you can see it [here](#).

A big shout out to our 11 coaches for their efforts as well. Keep up the good work.
